Title: Novel Diazabicyclononene Derivatives and Use Thereof)

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

In accordance with 37 C.F.R. §1.97 *et. seq.*, Applicant provides the enclosed materials for the Examiner's consideration in connection with the above-identified patent application.

Applicant respectfully requests that this First Supplemental Information Disclosure Statement and the documents listed on the attached Form 1449 and enclosed herewith be considered by the Examiner and made of record. Pursuant to the provisions of MPEP 609, Applicant requests that a copy of the 1449 form, initialed as being considered by the Examiner, be returned to the Applicant with the next official communication.

Copies of foreign and non-patent documents and communication from a foreign patent office are enclosed herein.

The information contained in this First Supplemental Information Disclosure Statement

S/N 10/575,794 Attorney Docket: AC-03-US

is not to be construed as a representation 1) that a search has been conducted; 2) that additional information material to the examination of this application does not exist; 3) that the information, protocol, results and the like reported by third parties are accurate or enabling; 4) that the information is considered to be material to patentability; or 5) that the information constitutes prior art to the current application.

It is believed that no fee is required. If a fee is required, please charge the same to Deposit Account No. 50-3464. The Examiner is invited to contact the Applicant's representative at the telephone number listed below if there are any questions.

Respectfully submitted,

Date: July 14, 2006
